Bobby and his wife Edie share a laugh with Mickey Perry at his retirement party on 3/31/2017

March gasped its last winter's breath upon us with a slight snow accumulation. As if to emphasize boy, have you guys been lucky this year. I believe we've just watched winter's backside sashay herself to second hemisphere. We conclude March as we do each month with our member social. On Wednesday, March 29<sup>th</sup>, we kicked off our Sand N Suds activity for 2017. In addition, we've always used this social as a launch of the member league season – some new "rules" were put in play and the establishing of a new member

league; featuring play from the orange and yellow tees. We capped the evening with a thank you and good luck to one Robert Jenkins, superintendent extraordinaire.

Denny shakes hands with Chris Dieter as he pre-sets him with the "target" that will be placed on his back as the new superintendent.

We also introduced Mr. Chris Dieter, our golf course superintendent-elect. He comes to us well versed and experienced in the care, beautification and improvement of the quality of our golf course. I know our membership will join me in welcoming Chris. Moreover, for us all to fare well as we move forward into a new era.

Clif Borden dropping sand into a divot during "Sand N Suds".

## Fresh From The Grill

*Beau Rudiger,  
Food and Beverage Manager :*

The new lunch menu for The Grill will start around the middle of the first week of April. This menu will allow our guest to sub most side items without a charge. We ask that you continue to be patient as we make these changes. There are quiet a few new items on the menu that came from daily specials and your feedback of those specials.

We have also revised some of the favorites items currently on the menu.

We will be adjusting and adding an item or two to our breakfast menu which should be out the week after the new lunch menu, the new dinner menu will follow later in April.

Currently we are trying to use up our discontinued menu items that will no longer be available when the new lunch menu starts.

Adjustments have also been made to the beverage cart beer pricing and we have added a few new snacks to the beverage cart selection. New “grab n go” sandwiches will also be available on the beverage cart.

We hope you are enjoying all the new changes we are making and try something new.

Thank you for all your support.

### Correction to Members Calendar

**Member/Member Tournament  
July 22 & 23 (Saturday & Sunday)**

Sometimes our members find themselves in not-so-desirable places on the course, as Kevin Costin did this cool spring day.

# Cole's Corner: Happy Spring

*Cole Lee: Tournament Director*

Golf season is upon us and we should begin our preparations on the equipment we use and the swing that we choose. Here at RH we offer our services to regrip all of your clubs, check lie angles, loft angles, and all other club related details you may need. Need me to look at your swing? Absolutely!! Just see me and I will be glad to work out a day and time to meet with you, and iron out those kinks we get in the off season. Interested in a club fitting? We offer those too! First on the schedule will be Mizuno on April 30<sup>th</sup> from 1:00 to 4:00 PM.

Also this month we will have our organized member event as well as the Tuesday Senior League start. The Senior League will commence on Tuesday, April 4<sup>th</sup>. A breakfast buffet will be served at 0800 followed by a shotgun start at 0900. Member Opening day is on April 23<sup>rd</sup> at our usual 0830. The format is a 4-player scramble in which teams are formed by the Proshop as "A,B,C,D" players. Signups are on the member board on the front porch or call the Proshop. Breakfast and lunch will be provided for those who participate as well as 5 points towards the year end Harbor Cup.

I hope everyone enjoys the Masters tournament this year. Its always a special time to watch this event. Take care everyone!!

## From The Ground Up

*Bobby Jenkins,  
Course Superintendent:*

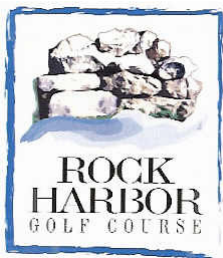

As I sit here typing out my last newsletter, waiting for the drizzle to stop we are supposed to start aerating, verticutting and top-dressing The Rock greens today (March 27th), but once again Mother Nature has her own plans. If we ever need rain all we have to do is mention aeration and it rains. My time at Rock Har-

bor has been memorable and I have made a lot of good friends. I have enjoyed some great rounds of golf and a lot of good times. This is something I will never forget. I have to remember that I'm not dying, just retiring (LOL). I wish the best of luck for Rock Harbor, the management and the staff and of course all the members. Thanks to Denny Perry for giving me the honor to

be a part of Rock Harbor's success.

During Bobby's retirement party he received a standing ovation for his hard work and years of service to the course from the members, he humbly received the attention.
