Cole Lee:
Tournament Director
I hope everyone is having a great time this winter getting to play and participating in the winter socials provided by the club. We do our best to keep you busy. I would like to ask you all to mark your calendars for the next upcoming social which is the 14th of March. On this social we will be going over the rules and format of all our leagues as well as the events for you to partake in this upcoming season. One more season long event has been added to our sched-

ule this season: The Match Play Championship. It is an event that requires a two player team so find a partner!!! Information is at the Proshop so ask myself or one of the staff for details or to register. I will also give a synopsis on the point system for the 5th Annual Harbor Cup at the social. Achieving a high amount of points will earn you a spot in this Ryder Cup team based format. It's not too often we get to play as a 14 player team and the environment and relationships it forms is remarkably original. It is certainly an experience you would not want to

miss out on.

Just as a reminder to you members as well...

We are anticipating a large number of fund-raising tournaments and charities this season. You too can participate in these events at a substantially reduced rate and help raise the funds necessary to help those in need in our area. I will begin to send a list of upcoming events and the member cost beginning in the April newsletter. I hope to see you at these events, but if not, I hope you will be playing the other 18 holes at your disposal.
