*Cole Lee: Tournament Director:*

Hello everyone!

Hope you're all doing well so far. I would like to thank all the players that joined us for opening day. The attendance was fantastic and we had about 100 players. This season I'm going to do some stats on our member events to see how we are performing on the course. It could become helpful to you for course management purposes in the future based on the pin position of the day.

Here was the difficulty of each hole on the course in relation to par:
