Our Member Tournaments

I am REALLY struggling with Member/Guest! To have or not to have? That is the question. I am open to feedback always, AND it is scheduled for the day the Governor is scheduled to lift the stay at home order. We could have a Democratic vote...Some folks are afraid to have their guests book flights or reserve hotel rooms and some are avoiding travel all together. I have heard many yes's and lot's of "not a good idea."

The first member tournament after that is our Independence Day Scramble. That is on! I plan on making every event going further EXTRA special since we are getting a late start. I am always open to new event ideas for member socials as well. Everything before June 12th is pretty much off the table and anything after June 12th on the Member Events schedule we will do. (Annual Boulder Tournament is in debate).

I want to acknowledge our Ranger and Pro Shop staff for staying with me on the front lines. I like to think these are everyday heroes, essential employees to be sure. Many thanks to Chris and the grounds crew, and Beau and his team, and our cart kids for staying fluid, flexible and adaptable during these ever changing and uncertain times. Thank you to all of you for your patience, and support as we navigate the "New Normal". I can't wait to get back to the good ole days!

God Bless you and yours and stay safe. We are all in this together, and I have faith and hope for the future!
