This is your chance to show everyone the hard work and dedication you have been putting into your game has paid off. The sleepless nights stressing over three foot putts, bunker shots, and long par 5's are almost over. The largest bragging rights tournament of the year is right around the corner. Come out and prove to yourself that you have what it takes to compete for the Club Championship. Sign up sheet is outside the pro shop.

.....I am working from home and have no access to the IBS system. Speaking of that, thank you to all the members and staff that took great care of me while I was in recovery mode! All your care packages, notes and phone calls are deeply appreciated and made the time away from Rock Harbor more bearable!

We have several charity tournaments coming up so please check with us if you want to sign up and be included in these wonderful philanthropic events. Club Championships are August 8th and 9th, Sand and Suds is being held as always on the last Wednesday of the month, August 26th, and then we will hold our Labor Day Scramble on September 7th. I hope you will join us!

Due to the ongoing health and safety concerns from the COVID-19 pandemic, the USGA will conduct the 120th U.S. Open Championship on Sept. 14-20 at Winged Foot Golf Club in Mamaroneck, N.Y., without on-site spectators. We will all be watching!

Please continue to use the hand sanitizer, wash your hands, social distance, and we will continue our sanitizing and disinfecting. Stay tuned for mandates regarding the use of a facemask, I will be revisiting this controversial issue/mandate with our fearless leader, Mr. Perry.

Thank you all and I hope your Summer is filled with happiness, joy, time with family and friends and good health!

"Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening—and it is without a doubt the greatest game mankind has ever invented."

-Arnold Palmer
