

HARBOR CUP 2020

September 18, 2020 started a 3-day event where 28 players go head-to-head to see which team, Blue or Red, can get to 14 1/2 points first. It is with a heavy heart that I had to hand the Harbor Cup Trophy to the Red Team for the 4th year in a row.

It's not just handing the Red Team the trophy, its handing Larry Howard (Red Team Captain) the trophy that makes it harder. Larry and I do not play, but we are friends. This being said everyone on both teams are friends and that is what makes the Harbor Cup so special.

This year was not as close as other years, but that did not take away from the championship event.

The record after nines years stands at: Red 5, Blue 4.

Losing 4 years in a row gives me both determination and an idea of how Larry and the Red Team felt for the first 5 years (lol).

I want to thank all the players, the co-captains, sponsors and Rock Harbor staff for a great event.

Looking forward to next year! Go Blue!! Signed: Heavy Heart
