# Rock Harbor News

VOLUME 18 ISSUE 12

DECEMBER 2022

## Curt's Corner

Curt Corey,  
General Manager & Pro:

We find ourselves at the end of the year at a time when we enjoy the holidays with family and friends. During this time, I reflect on the experiences that I have enjoyed here at *Rock Harbor* throughout 2022. A few thoughts came to mind:

**R**elationships are built every day  
**O**riginality in design of our beautiful courses  
**C**aring staff who put their heart into their work  
**K**ind members who respect the club

**H**ospitality of the people of Winchester  
**A**chievements of those who work hard at their game  
**R**emarkable beauty of the Shenandoah Valley  
**B**reathtaking views from our courses  
**O**asis from the pressures of life.  
**R**ecreation at its best!

## Fresh From The Grill

Beau Rudiger,  
RH Grill Manager:

I hope everyone had a great Thanksgiving!! We did about 118 meals this year which is about 20% more than last year. Thank you to everyone who participated this year. I hope to be able to offer a beef product for Christmas, like prime rib by the pound, for those of us who get tired of

turkey, or just want something different. We do have the member holiday party coming up on December 14th. We will be emailing the details out this week.

Speaking of the holidays, I wanted to give a big THANK YOU to my wife "T" or Temple and Megan for doing such a great job decorating the club house this year. So, make sure you let them know

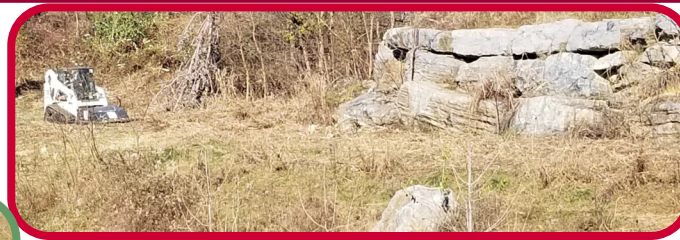

when you see them. The Wing and pizza on Friday nights have been put on hold in December due to Holiday Parties that have booked our venue for their company party. We will be doing pizza and wings on Sunday that won't change during December.

## The Green

Chris Dieter, Course Superintendent:

Happy Holidays, Felices Fiestas, Hau'oli Lanui, Boas Festas, 행복 휴일, li holide eximnandito to you and your families. As the year ends, we can find a lot to celebrate and to be thankful for. We will miss those that are no longer with us and remember the times we had with them on and off the golf course. I always like to see everyone enjoying the golf course with their friends and family.

What's up now with golf course maintenance? Currently, we are cleaning up leaves and debris in some of the corners of the golf course. Rock breaks, dead trees, pond edges, and no-mow areas are all getting swept out. Our goal is to continuously improve playing conditions and aesthetics.

We are trying to pick up the pace on bunker conditions, some heavy edging to improve looks, and to keep some from putting out of the bunkers.

On Boulder #2, our in-house golf course designer has made some changes to the beast of a bunker at the front of the green. No, we are not filling it in, we will just let you see the changes over the next couple of weeks.

If there is anything you would like to have me address in the newsletter, please let me know.

Happy and Safe Holidays!
