JULY 2023

Curt's Corner

General Manager & Pro:

Summer has arrived! We are enjoying the greatest season of the year for golf.

Our Member/Guest Golf Tournament was a great time for all.

Congratulations to:

Bryce Moore & Tag Corrigan - Champions
Ken Rea & Steve Mayo - Runner-Ups

There are so many upcoming opportunities for play. Don't miss out!

The Independence Day Member Golf Tournament is just around the corner.

Tuesday, July 4, 8:30 with a Shotgun Start on the Boulder Course.

Member-Member Golf Tournament

July 22 - July 23, 8:30 Shotgun Start on both days.

Tournament will be played on the Boulder Course the first day and the Rock Course the second day.

Rock Harbor Junior 3-Day Golf Camp

July 17, 18, and 19 from 5:00 - 7:00 p.m. each day.

Cost will be \$40 per student for the entire camp.

Don't let a mid-season slump get the best of you. As your golf professional, I am more than happy to help you with your game! Give me a call so we can get you back on track. Lessons are offered as a series for your best value, or individually.

Thank you.

Fresh From The Grill

Beau Rudinger,
RH Grill Manager:

I can't believe it's July! This summer is flying by. The MEMBER/GUEST is in the rear-view mirror and it seems like everyone had a good time. My staff did an excellent job through the 3-day event, and it seemed to have gone very smoothly. The next tournament is the MEMBER 4TH OF JULY and then we have MEMBER/MEMBER. Good luck to all who play in the next few tournaments and let's have a good

turnout for the MEMBER/MEMBER event!!!

The Caddy Shack and the beverage cart has had some issues with Members giving the wrong Member Number or names so be ready to show an ID if they ask. I still have Members walking behind the counter to help themselves, this is not acceptable. We will be adding a turkey burger to the menu in late June or early July, it's a healthy alternative for you all.

As most of you know I have lung cancer. I've had one chemo treatment so far and starting June 27th I will have 4 weeks of radiation and chemo. So, if you need me, contact Megan at the Grill. I will be in contact with her periodically. The kitchen will be a little short staffed, with me not being here, but they have filled in for me the last 2 weeks just fine so please be patient.

“One flag, one land,
one heart, one Nation
evermore!”

We hope everyone has
a safe and happy
Holiday!

The Green

Chris Dieter, Course Superintendent:

The rain has finally arrived, and a good, soaking rain it is. The change in moisture conditions will change how the course plays. Your drives will not roll as far, and the greens will roll a little slower. Golfers should be attentive to the fact that higher moisture in the soil means ball marks will be more prevalent and pronounced. Moisture will also make divot peel out larger and easier. Hill sides may become slicker than what we are used to, so be careful.

Finally, **MEMBER/GUEST** seemed to be enjoyed by all. Hold for a little bit of stormy weather at the beginning, things ran pretty smooth.

Pictured above and left, shots from the MEMBER/GUEST Tournament.

I am looking forward to the rest of a great year.
