# Rock Harbor News

VOLUME 21 ISSUE 12

DECEMBER 2025

## Curt's Corner

*Curt Corey,*

*General Manager & Pro:*

Some changes for members will take place in 2026. Starting very soon Rock Harbor GC will offer Member Online booking of tee times and a Billing App. I'm sure everyone one enjoy the new system and the convenience of making your own times to play.

We are having a clearance sale going on in the Golf Shop. Mostly every item is on sale at cost plus ten percent. Stop by soon and pick out and pay for that new driver, set of irons or golf bag with those Denny Dollars that you've had building up over the past season. If you have any questions about fitting those clubs to your swing, please see Curt.

The new 2026 Member Schedule will be out for you to pick and plan which tournaments you will be wanting to play in this season, hopefully all of them. If interested in making those scores go lower this year, make sure to stop by and let's get you signed up for those lessons to help that out.

Again, I personally want to wish everyone to have a great golf season with plenty of birdies and fun times with your friends!

## Fresh From The Grill

Beau Rudiger,  
RH Grill Manager:

Wow what a month!! Member Christmas Social, multiple member dinner events and a few Members get together. I'm done with December.

We added the Pot Roast Sandwich on the menu, if you haven't had one you're definitely missing out on one of my best

sandwiches. The Flat Bread pizzas are doing well also. We are also looking at a 6 ounce Crispy Chicken Parm sandwich with marinara, provolone and mozzarella cheese on toasted Texas Toast, it's really good also. So, make sure you stop in and try one of them.

I guess it's time to start getting ready for Golf season. It's only 10

weeks away!! I'm hoping to be able to golf this year, I still have a long way to go before that but I really miss it. I'm starting back on chemo on January 5th after some issues arose from the chemo treatments. Hopefully that will be behind me so we can finish this up. Have a Great January!!

First snow!!

## The Green

Chris Dieter, Course Superintendent:

Well the year is starting with a bang, or should we say a swoosh with wind and snow early in the morning on the first of the year. The course has been closed for the first day and a half of the New Year. Believe it or not, there were a couple of people that would have played if we would have allowed them.

We are currently carrying one of the largest winter crews we have ever had, and the amount of work getting done shows. Rock 15 back bunker has been renovated. The bunker at the back of Rock 9 is currently being reworked for the second time. The first time this bunker was renovate we did not have the mini excavator and could not dig it to a depth that was adequate. Bunkers for future work: Rock 15 the bunker above the wall and Rock 17 all bunkers.

The crew has been working at an amazing pace clearing the edges of many holes. Nature continues to try to reclaim the golf course it becomes a battle keeping the encroaching woods edges back. Clearing edges on Rock 18 near the green, the rock break on Rock 15, Rock 6 the left side, and Rock 16 along the cart path are areas completed so far.

I am really looking forward to the new year and new things to come at Rock Harbor. We will continue to try and make your golf experience one of the best in the area. Happy New Year and remember you can always stop me for compliments, complaints, or questions.
