Rock Harbor News

VOLUME 22 ISSUE 2

FEBRUARY 2026

Curt's Corner

Curt Corey,
General Manager & Pro:

Dear Members,

Mother Nature is certainly reminding us that it is winter. Please find below the schedule for the 2026 Member Golf Tournaments. We hope you will be able to join us for these events.

- Member Opening Day: Sunday, March 29
- Net 2-Person Aggregate: Friday, May 8
- Memorial Day: Monday, May 25
- Member / Guest: Thursday-Saturday, June 11-13
- Independence Day: Friday, July 3
- Member / Member: Saturday-Sunday, July 18-19
- Club Championship: Saturday-Sunday, August 1-2
- Labor Day: Monday, September 7
- Harbor Cup Championship: Friday-Sunday, September 18-20
- End of Season: Sunday, October 4

Additionally, our End of Season Sale is still ongoing in the Golf Shop. Now is a great time to check your grips; we have many styles available to help make your clubs feel new again! Happy Valentine's Day Rock Harbor!!

Got someone you love more than golf?
Did you forget to buy a Valentine's Card?
No worries! Cut one out and remind that special
someone that they're by par the best!

Fresh From The Grill

Beau Rudiger,
RH Grill Manager:

January was a little chilly and we finally had our one big snowstorm of 2026, hopefully. I've been adding a few menu items like our PAR 3 appetizer, where you can choose the 3 apps and dipping sauces. I also added a BOOM BOOM Fried Shrimp app, Pretzel Bites with a good Beer Cheese dipping sauce and our most popular addition is the Flatbread Pizza, which you can get anytime except Saturday

Evenings.

I've been trying to add a few more dinner entrees on our Saturday night specials that I haven't done here before. The ones I've run in the last 2 Saturdays of the month seemed to have gone over very well. I've expanded the Pizza menu by running 2 specialty Pizzas weekly, this week was Big Mac Pizza and the other was a Philly Steak Pizza with a cream sauce, steak and grilled onions. Both are very good pizzas.

We just announced our Valentine dates and times. Make your Friday reservations as soon as possible to guarantee seating. I'll have the Valentines menu out some time this week. The servers up front have the seating chart for Friday's Valentine Reservation seating.

I will have to go back to John Hopkins and hopefully get another 4 full weeks of chemo done. I'm having major issues with the Arsenic in the chemo, we'll just have to see how it goes.

The Green

Chris Dieter, Course Superintendent:

What to talk about this time of year Cold, Cold, Cold, Cold with Wind, Crazy people playing golf, and more cold and wind, and some snow. Despite the very cold temperatures, it has been a very productive winter. Continuing with clearing along several golf holes. Some areas often not noticed, like the hill in front of Boulder 16 Black Tee, pictured left. Other areas like the right side of Rock 5, I see people search the woods edge quite often. I hope that the clearing and brush cutting will help all of you out a little, even if it cuts down on golf ball sales.

Clearing Rock 18 Green, pictured below.

We just cleared the parking lot from our first major snowstorm, pictured below. Thankfully, the storm did not amount to what the weatherman thought it would be. Unfortunately, the very cold temperatures will make the snow last for quite some time. I hope to see everyone in the grill even with the course under snow cover.

Everyone stay safe and Happy Valentines Day.
