Curt Corey: General Manager & Pro:

Hello Everyone!

June has been a very busy month at *Rock Harbor Golf Course*. We had four very large outings and one very successful **Member/Guest Tournament**.

Congratulations to all who participated and to the winners!! The competition was fierce and the food was fantastic.

I would like to take this time to thank the Pro Shop, Greens staff and Grill & Bar staff members. People don't realize the level of preparation to make something like this event come off as smoothly as possible.

Thank you everyone for the extra hours and dedication!!

Fresh From The Grill

Beau Rudinger,
RH Grill Manager:

June is over! 2025 Member Guest is done and in the books.

Thank you to everyone who participated in the event, I hope you enjoyed the food and drinks.

We have the 4th of July tournament coming up next; if you haven't signed up, you still can. We also have **Member/Member** on

the 19th and 20th of July. So, we have a really *good* month coming up.

I've made the changes to the menu, adding Shrimp Salad, Tuna salad and sliders. I am also running a salad dinner called "The Summer Salad". It has tomatoes, blue berries, mandarin oranges, strawberries

and pineapple topped with turkey and shaved parmesan cheese. It's great with the apple vinaigrette or the pecan maple. It has been received well so far, very refreshing with all the fruit, great for these hot days in July.

To keep this warm weather going, please remember to get *signed up* for the **Independence Day Member Outing** on July 4th. I'm sure it will be a full field as it has been in the past.

Thanks again everyone for all your participation! Keep hitting the ball down the middle!

The Green

Chris Dieter, Course Superintendent:

Well, I believe summer is here, bringing with it the heat and humidity. I am thankful for such a hard-working crew this year, pushing through the heat to keep up with course maintenance and projects, pictured left. We have been letting them go home around Noon to keep them healthy and safe.

Member/Guest was a huge effort for the crew. After all the storms, the crew really put in the hours

to make everything came together. They (the golf maintenance crew) hope everyone liked the surprise of playing the ball down in the bunkers.

There were many hours put into weeding and hand raking all the bunkers, and a big push to finish Boulder #13 Bunker. Give the crewmembers a big appreciative thanks when you see them!

Moving forward, you will see more aerification and topdressing of tees and fairways. Our next big projects include repairing the ponds on Boulder 12 and Rock 13, and cleaning up the many dead trees. Thanks for repairing your ball marks and divots in advance!
