Rock Harbor News

VOLUME 22

APRIL 2026

Curt's Corner

Curt Corey,

General Manager & Pro:

Spring has officially arrived, and it is wonderful to see the course buzzing with activity again. We have a busy season ahead, and I'm thrilled to share some highlights and upcoming dates with you.

Member Opening Day Recap: Our Member Opening Day was a resounding success! We had a fantastic turnout with **35 teams** competing under beautiful skies. The energy on the course was high, and the competition was even higher.

Huge congratulations to our winning team:

**Amber Lemon, Brett Kuser,
Scott Roberts, and Brian West,**

who posted an incredible winning score of **60**. Thank you to everyone who participated and made the day so memorable.

Now is time to Tune Up Your Game! Is your gear ready for the season? It is the perfect time for the "spring cleaning" of your golf bag.

- **Regripping:** Don't let a worn-out grip cost you strokes. Bring your clubs into the ProShop for a fresh set of grips to ensure maximum control.
- **Swing Prep:** Your PGA Golf Pro is available to help you find the right equipment to tune up your swing and get you dialed in for the summer months.

Fresh From The Grill

Beau Rudiger,
RH Grill Manager:

Hello April! I wanted to go over a few menu items that are being added and subtracted. We've added the new roast beef sandwich with either a horseradish cream or a chipotle sauce; both are extremely good. Sales for the PAR 3 appetizer are starting to pick up. The Boom Boom shrimp are selling well. I've changed my Hot Dogs to a quarter pounder and am using a fresh 6" sub roll so all the toppings stay on much better. It's still a Black Angus product but slightly

larger than last year's.

We are discontinuing the Wagyu Burger due to availability issues. I should get the beverage cart out shortly. Connie, one of the returns from last year has had some medical issues and will be out at least 6 weeks. I've started interviewing, but most candidates only want to communicate via email, and none have shown up for scheduled interviews. I'll keep you posted.

Also the Caddy Shack will reopen on weekends very shortly. Regarding my health, I've stopped Chemo after 7 months. My oncologist from

Johns Hopkins told me it's in remission and that I should try to start returning to a semi normal life. I've actually started chipping and putting and will continue until I can swing after my surgery. They removed my mediport from my left chest. Hopefully, the recovery will be quicker than they stated. I haven't really played in 2 and a half years; I'll be back out as soon as possible

Upcoming Tournament: 2-Person Aggregate

Our next competitive event is just around the corner!

- **Date:** Friday, May 8, 2026
- **Course:** The Boulder Course
- **Format:** 2-Person Aggregate
- **Sign-up Deadline:** Tuesday, May 5th

Be sure to register in the Pro Shop or via the member sign up board by the May 5th deadline. This is always a favorite event on the calendar, so grab a partner and secure your spot on the Boulder Course.

The Green

Chris Dieter, Course Superintendent:

A new season is here. The mowers are out and clipping everything into shape. Our new Assistant Superintendent, Dustin Randall, has started. Dustin is married with three boys and

comes to us from Raspberry Falls Golf & Hunt Club in Leesburg, VA. Say hello and make him feel welcome. He is going to be an asset to make our course great.

Aerification is just around the corner. **The Rock Course will be aerified the week of April 6th and the Boulder Course the week of April 13th.** The process will be the same as last season, so we hope to be open to play just as quickly. Right now, the forecast for the 6th is rain; Mother Nature likes to give us our challenges.

New to the course this year, we are adding several owl houses and

a wooden duck house! So, keep your eyes open as we may have some new residents. Let me know when you notice the houses and which ones you see.

As always feel free to stop me for comments, criticisms, or compliments.
