Rock Harbor News

VOLUME 22 ISSUE 5

MAY 2026

Curt's Corner

Curt Corey: General Manager & Pro:

Dear Members,

PC: Chris Dieter

The weather is warming up, providing us with some beautiful days for golf. As a result, the Golf Shop is very busy. You will also notice a few new faces on our Cart Staff this year; please give them a warm **Rock Harbor** welcome when you see them.

I also want to share that Hugh Tolson, one of our Golf Shop counter assistants, is currently in the hospital following back surgery. Please keep Hugh in your thoughts and prayers as we wish him a speedy recovery.

Our next Membership outing is the *2-Person Aggregate Score Tournament* on Friday, May 8th. It will be held on the Boulder course with an 8:30 a.m. shotgun start. The entry fee is \$45.00 per player. This event is, historically, one of our best-paying prize tournaments of the season, so grab a partner and sign up to compete and meet fellow members.

As a monthly reminder, fresh grips can make your clubs feel new again. If you are struggling with a hook, slice, or topped shot, now is the perfect time for a lesson. Rather than trying to self-correct, let me record your swing and use our big-screen TV to identify the issue and provide specific drills to improve your ball striking and compression.

Finally, the *Member/Guest Tournament* is approaching quickly. Entry forms will be available in the Golf Shop starting May 4th. To secure your spot, entry forms must be completed in full and paid for at the time of submission. No exceptions will be made.

Have a great month on the course!

Fresh From The Grill

Beau Rudiger,
RH Grill Manager:

Well, April is over and what a nice month it was. Great weather and many golfers. Good turnout for *Opening Day*, next up is the *Member Memorial Day Tournament*. Also, we will post reminders about *Member Guest* in June. *Member Guest* is our premier

event of the year; we go out of our way to ensure a great time.

We are currently running a lot of Flat Bread Pizza Specials. We also have the Shrimp Salad back and are getting ready to run Tuna Fish Sandwiches. Caddy Shack has started opening on weekends and will continue, weather

permitting, through the summer and early fall. If you haven't tried the Roast Beef Sandwich yet you're missing out. Remember Saturday night is our Steak and Seafood Night. My hand cut steaks are outstanding and decently priced. Enjoy your May.

PC: Chris Dieter

The beautiful rainbow that accompanied the sunrise

The Green

Chris Dieter, Course Superintendent:

Well, if you do not like the weather, wait 5 minutes. What a roller coaster ride Mother Nature is giving us. From 90 degrees a week ago to frost the morning of April 27th. Mother Nature's craziness aside, some of the things we see on the golf course can be quite thrilling. The cold snap had everyone trying to stay warm, including this vulture at #5 Boulder Blue Tee, pictured left.

Yesterday's sunrise in the east with a rainbow in the western sky was gorgeous. Best part of the day work getting done, beautiful views, and no golfers on the course yet.

What is happening on the course...

Spring Aerification is finished. The crew did an excellent and efficient job. We recently did a light topdressing of the greens; you may have noticed a fine layer of sand. Using a large coconut fiber mat to drag the light topdressing smooths them out and will help them roll smoother. I think everyone will be pleased with the results. Gearing up for grass growing season, we recently hired some new help for the season. Some new faces and some returning ones.

Soon we will be doing some aerification and topdressing on some random tees;

this should have very little effect on play. This process will help level the surfaces, as well as aid in water infiltration and turf health.

I hope everyone continues to enjoy the golf course.
